

STONE BREWING *World Bistro & Gardens*

Limousine & Bus Policies

At *Stone Brewing World Bistro & Gardens* we are committed to ensuring that all of our guests have a memorable and safe experience during their visit with us. Please take a moment to familiarize yourself with the following information.

- All groups arriving by charter bus or limousine must be registered with Stone Brewing Co. through submitting this form (via fax or email) no later than three business days prior to arrival. Please note that *we will be unable to accommodate your party if your bus or limousine is not registered with us.*
- Registration of your bus or limo is not a reservation for beer tasting, lunch or dinner. Please contact Host@Stonebrewing.com or (760) 294-7899 x 1700 to make Bistro reservations.
- If you'd prefer drinks and appetizers only, we have two bars available—one in our Bistro and one outside. No reservation is needed for these areas and they are first come, first served. Appetizers and small bites will be available in the garden area for groups as long as you register.
- If you plan to visit multiple breweries on the day of your visit, Stone needs to be an early stop on your itinerary. Intoxicated guests will not be admitted into the Bistro or on tours, regardless of having a reservation.
- Everyone wishing to purchase alcohol must have a valid form of identification. Acceptable IDs include: valid U.S. driver's license, passport, military ID, or U.S. identification card. No out-of-country or paper forms of identifications are accepted. If you plan to purchase beer from the Stone Company Store, **all** members of your party must be at least twenty-one years of age and ready to present valid ID's.

Brewery Tours:

Educational tours of our brewing facility are offered throughout the week to the public strictly on a first come, first served basis. As these tours have become extremely popular, space is limited and tours do fill up quickly. Larger parties are highly encouraged to book a private tour with us if interested. More information is available at www.stonebrewing.com/tours/. Please note that private tours are not available on weekends due to high attendance volume and tickets cannot be reserved in advance for public tours. *Again, we are unable to accommodate your party if the bus / limousine is not registered with Stone.*

We sincerely appreciate your help and understanding in keeping *Stone Brewing World Bistro & Gardens* a fun and safe place to enjoy with your family, friends and fellow Stone fans. Please do not hesitate to call or email us if we can be of further assistance. *Cheers!*

Group Transportation Registration
